Mr. Ed. Gottlieb
509 Market St.
Phila Pa.

Dear Gottlieb:

I had hoped to get to see you by this time, but have been very busy. I decided I had better drop you a line.

I received a letter from Posey some time ago, saying Tom and he were planning to attend the western league meeting in Chicago on Dec. 9th, and asking me to come also. I do feel that we should be represented at the western meeting and try and get some of the things straightened out. Is there any chance of you going? If not is there any thing you would like to have me take up.

Are you in favor of the two leagues playing a world series at the close of the season. If so we should certainly decide it at this meeting, dont you think?

Did you get my letter about Judge Hastie for Commissioner? I wish you would send me your proxy to vote for him if the question comes up. We would be very lucky to get him.

I am planning to leave here Thursday night, so if there is any thing you want to contact me about do so before then.

Hope you are feeling well.

Very Truly Yours
